PROFILE

Technology enthusiast since a young age, with a **solid and uninterrupted academic background**. I have nearly **two years of professional experience** at BeonX, where I not only grew as a software developer but also gained insights into the hospitality industry. In addition to my professional career, I **volunteer** as a youth group leader, which has helped me engage with diverse social realities and develop strong interpersonal skills.

SKILLS

- COMMUNICATION
- **PROACTIVITY**
- PROFESSIONAL AND PERSONAL COURTESY
- TEAMWORK
- FAST LEARNING ABILITY

EDUCATION

Master's Degree in Computer Engineering

2022-2024
University of Salamanca – GPA: 8.24/10
Focus: Project management, API-driven development, and Human-Computer Interaction

Bachelor's Degree in Computer Engineering

2018-2022
University of Salamanca – GPA: 8.10/10
Class representative throughout the four academic years

EXPERIENCIA

BEONX | BACKEND developer

Salamanca, 2023 - 2025
Integration department. Focused on extracting data related to hotel bookings and processing it to fit our internal database.

Successfully connected over 75 new hotels to our system and led a full revamp of the integration with the "Cloudbeds" PMS, significantly expanding our client base.

Technologies used: PHP, Laravel, SQL, MongoDB, API development.

Glifing | UNIVERSITY INTERNSHIP

Salamanca, 2022
400 hours split between curricular and extracurricular internships.
Main task: migrating their existing system from PHP + CakePHP to Python + Django.

TECHNICAL SKILLS

Languages:
PHP, SQL, Python.

Frameworks:
Laravel, CakePhp, Flask, Django.

Tools & Platforms:
Linux, Jenkins, Git (Git Flow), Bitbucket, Jira, JetBrains, Hubspot, Postman, Bitbucket.
